Hello, Grosse Ile!

A few GREAT changes were made for your community.... and we are one of them!

Priority Waste was created by individuals who recognized a frequent problem with customer service in the waste industry and took action to fix it. It is our mission to provide exceptional waste removal service to you, the Township of Grosse Ile! Our staff is continually seeking new ways to evolve and grow without ever losing sight of the #1 priority – the customer experience. That being said, no matter how big Priority Waste grows, **we will always be your local company.**

A few important things to note about us along the way:

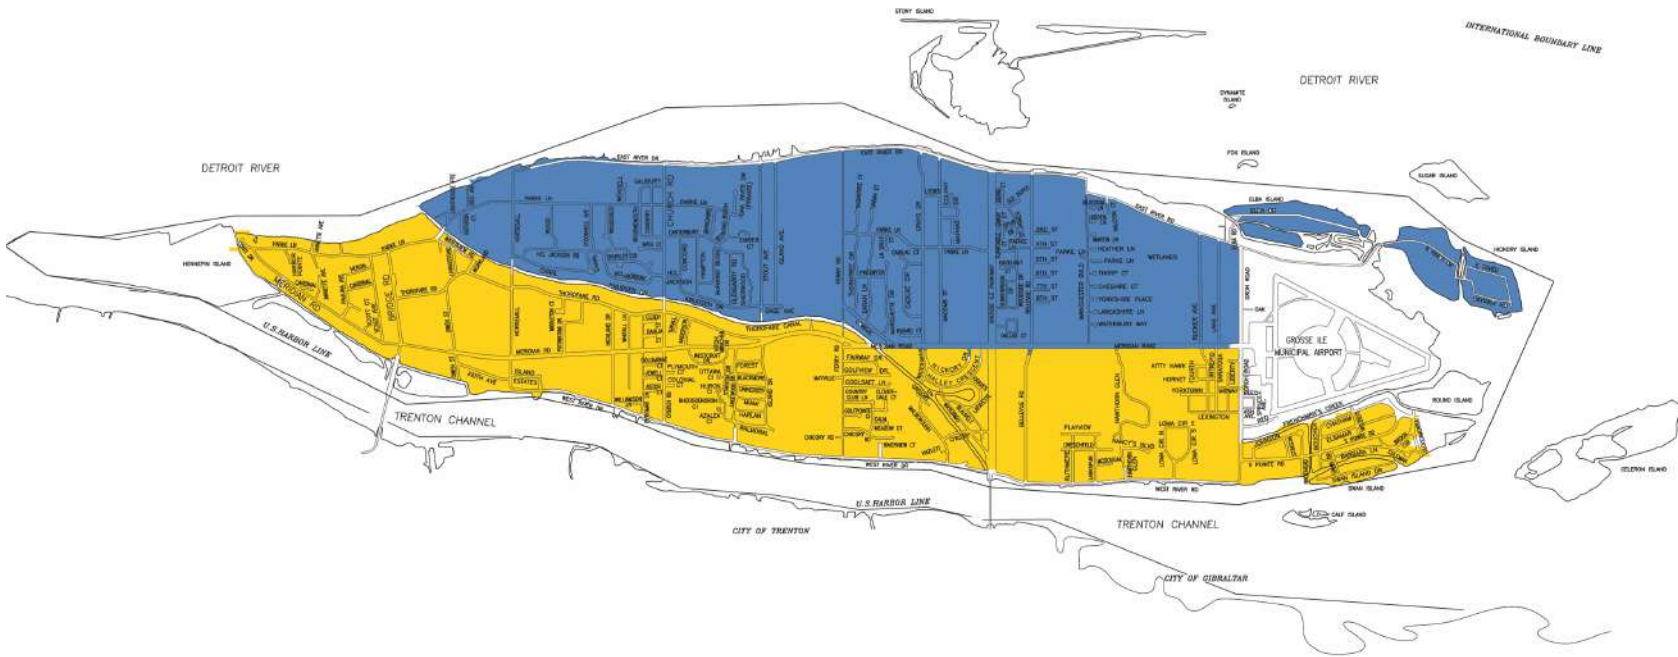

- 1. Customer Service is our FIRST priority.** We are here to serve the Grosse Ile Community.
- 2. Cleanliness is the only option.** You can rest assured that your streets and neighborhoods will be left neat and tidy.
- 3. We will never hide.** Whenever there is a problem, we are here to help 24/7. Give us a call at any time and you will *always* speak to a real person – never a machine. Any issues you may have will be addressed and every compliment you offer, will be acknowledged and appreciated.
