

# TOWN OF ZIONSVILLE CART INFORMATION

## USING A CART IS BENEFICIAL BECAUSE...

**Convenience:** Trash and recycling carts are easy to move and transport, making it convenient to dispose of your waste and recycling materials.

**Improved sanitation:** Carts help keep trash and recycling contained, reducing litter and improving sanitation in neighborhoods.

**Reduced litter:** With a lid that keeps waste and recycling materials secure, carts help reduce litter caused by wind-blown debris.

**Cost-effective:** Carts are more cost-effective than traditional garbage bags or bins, as they can be used for years without needing replacement.

**Increased recycling rates:** Recycling carts make it easier for residents to recycle, which can lead to increased recycling rates in communities.

**Improved safety:** Carts are designed to be safe and easy to use, with features such as sturdy wheels and ergonomic handles that reduce the risk of injury.

**Reduced odors:** Carts help contain odors from waste and recycling materials, reducing unpleasant smells in neighborhoods.

## HOW TO USE YOUR CARTS AT THE CURB

1. Place at the curb with the lid opening facing toward the street
2. Lids must be closed to provide service
3. Place carts at least 3 feet away from each other

4. The automated collection process will put the cart back in close proximity to where the cart originated. Carts should not be placed close to vehicles, mailboxes, and landscape decorations.

# FREQUENTLY ASKED QUESTIONS

**"I have a trash cart already, can I just continue to use that cart?"** - A new trash cart will be delivered to your home. This cart should be the primary cart used every week and your other cart can be used as a secondary cart as needed

**"Can I use any trash cart as a secondary trash cart?"** - YES! Priority will collect all materials contained in a trash cart. You are able to use up to two trash carts each week. If you would like to have two of the same carts, you can purchase another Priority trash cart at [www.prioritywaste.com/waste-recycle-bin-order-form/](http://www.prioritywaste.com/waste-recycle-bin-order-form/) and select Zionsville, IN in the drop down menu.

**"I only need one trash cart and do not have space for a second one. What should I do with my old one?"** - Priority will collect and dispose of old carts that you do not need. Simply place the cart at the curb with a note taped to the cart or a **RED "X"** so we know it is okay to throw away.

**"When can I throw away the old cart that I no longer need?"** - Priority is asking residents to dispose of their old trash carts on their OFF WEEK FOR RECYCLING to avoid overloading our crews. For example, your house is an A Week recycle residence. You can throw away the old cart you no longer need on the B Week recycle collection schedule.
